Dear LIMI Family,

THE AWAKENING - ANNUAL CONCERT 2026

We are immensely proud to present the resounding success of our Annual Concert 2025-26 — The Awakening.

This year's showcase was not just a celebration of talent, but a powerful reflection of the values we believe in. Centered around the need of the hour — life skills, the concert beautifully brought to life the importance of empathy, awareness, and responsibility in today's ever-evolving world.

Our young learners took the stage with confidence and purpose, delivering heart-touching dramatic acts and mesmerizing dance performances. Each presentation carried a deeper message — that true

education goes beyond academics, nurturing children to become thoughtful, responsible, and emotionally aware individuals.

A key highlight of the evening was the portrayal of empathy as a core life skill. Through their innocent yet impactful performances, our little stars expressed genuine concern for nature, animals, and the world around them. It was truly inspiring to witness such depth of understanding at such a young age.

The Awakening symbolized a call to recognize that the future belongs to those who are not only knowledgeable but also kind, aware, and adaptable.

At Li'l Miracles International Preschool, we remain committed to fostering:
Emotional intelligence, Curiosity and creativity, environmental consciousness, strong foundational life skills.

Through experiential learning, we aim to shape not just learners, but future-ready individuals who lead with heart and purpose.

Annual Concert, 2026!

"The Awakening" —only Lil Miracles could think of such a unique and meaningful theme, and it feels so perfect for the times we live in. Opening doors to empathy, kindness, integrity, and all the values that truly matter... reminding us that before anything else, being a good human being comes first. What a powerful message to weave into such young hearts. I genuinely feel blessed to have chosen this school for my child. Ritu ma'am the way you greet every parent—and even the older siblings—with a warm smile and a cheerful hi-five makes us all feel like a real family. So approachable, so loving, and so grounded... it shows your intention, your effort, and your heart. The annual function was not just a performance; it was an experience. A celebration of values and innocence, beautifully crafted and wonderfully delivered. Every detail reflected care, creativity, and dedication. A big thank you to the entire team of Lil Miracles for making us feel seen, valued, and included. Truly grateful for the environment you're creating for our children. Proud and joyful to be part of this family.

Experience with this school has been excellent. All the teachers and the Principal are very active and caring. The learning environment is ideal for young children, so kids enjoy coming here and understand concepts easily. If you are looking for a school for your child, you should definitely visit at least once before making any decision.

Li'l Miracles is a wonderful school that combines strong academics with a deep respect for Indian culture. The teachers are caring and attentive, creating a safe and joyful environment for young learners. It focus on cultural values—celebrating festivals, practicing yoga, and encouraging traditional music and dance. It's the perfect place for children to grow both intellectually and emotionally, while staying connected to their roots. Highly recommended for parents in Jaipur looking for a balanced and nurturing start to their child's education.

School is really good – my baby is really enjoying it a lot! In his previous school, he used to say, 'Mumma, I don't want to go to school, please Mumma.' But now he says, 'Mummy, why are holidays coming? I want to go to school!' That's a very surprising and happy change for us.

The teachers and staff are so polite, kind, and well-managed when it comes to handling children. I'm really happy to see that they focus on giving practical knowledge through site visits, helping the kids relate what they learn in the classroom to real-life experiences.

Something powerful is coming your way... and it's not just another podcast.

It's a movement of voices that are often unheard.

At Li'l Miracles International Preschool, we've always believed that children are not just learners—they are thinkers, feelers, and storytellers. With LIMİ'S PODCAST, we're giving them a platform where their tiny voices create a big, lasting impact.

Rooted in the belief that every child has something meaningful to say, this initiative transforms everyday thoughts into powerful conversations that inspire, surprise, and connect. It goes beyond storytelling—it captures the essence of childhood in its most honest form, shaping confidence, nurturing self-expression, and opening a window for parents to truly understand their little ones.

Why This Podcast Matters??

In a world where adults do most of the talking, we're choosing to pause... and listen to our children. This podcast is designed to:

- Encourage confidence, expression & individuality
- Help parents understand their children beyond textbooks
- Build a culture where every voice matters, no matter how small.

Roles it plays:
