## Dear LIMi Family,

### LIMI NOW IN CHITRAKOOT

Some dreams are too big to stay in one place — they grow, they bloom, and they find new homes in the hearts of those who believe. With immense pride and deep gratitude, we are overjoyed to unveil the second branch of Li'l Miracles International-Preschool, now in Chitrakoot, Jaipur.

This is not just an expansion — it is the beginning of a new chapter in the same heartfelt story. A story woven with laughter echoing in classrooms, gentle guidance from loving teachers, and the unwavering trust of families who believed in our vision when it was just a seed.

Today, that seed has become a thriving tree — and with the love of our growing community, we plant another. The Chitrakoot branch is a promise: that every child who walks through our gates will be seen, heard, nurtured, and celebrated.

From designing vibrant learning spaces to handpicking a team that shares our passion, every detail has been touched with love. Here's to new beginnings, familiar values, and many more little miracles waiting to unfold. Because at Li'l Miracles, every child matters, and every new step is made with heart.

### World Earth Day

This Earth Day, Li'l Miracles International Preschool took a green step forward by giving away 100 real saplings to our 100 little learners — one for each child to grow, nurture, and love. Our young nature champions didn't just take plants home — they decorated their own pots, added their names, and learned the value of caring for a living thing. With muddy hands and joyful hearts, they planted hope for a greener tomorrow.

## Children and youth lead Earth Day celebrations

TOO NETWORK  
JAIPUR

Earth Day was celebrated with great enthusiasm across Jaipur, with special events organised in schools and colleges to raise awareness about the environment. On this occasion, children took pledges to protect trees and promote environmental conservation.

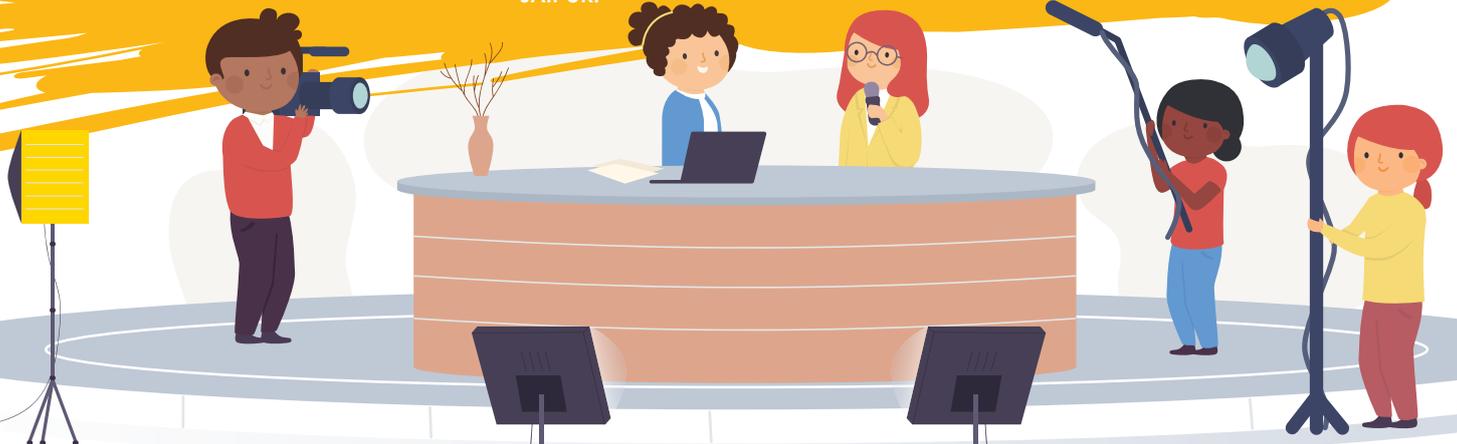

At Little Miracles International Pre-School in Jagatpura, a touching initiative titled "100 Children, 100 Plants" was launched. The school planted and distributed 100 plants, one for each of the 100 children, as part of the initiative to instill a sense of responsibility and love for nature. Co-founder Ritu Sharma expressed that the goal was not just to provide education but to nurture emotionally intelligent and environmentally conscious citizens. She emphasised how activities like tree planting help children connect with nature and understand the importance of preserving the Earth for future generations.

Meanwhile, at the Sanskriti Children's Academy in Murliपुरा, the students spread awareness about environmental conservation through various creative activities, including dance, tree-hugging, and placing water pots for birds. The children performed a special dance that conveyed the message of "Save Tree, Plant More Trees." Princi-pal Ashok Kumar Sharma reminded the children that nature provides for all and deserves our respect.

School Secretary Ayush Sharma applauded the efforts and urged students to adopt the habit of planting a tree on every festival as a symbolic gesture of gratitude to nature. In a significant move, the Geography Department of Kanoodia PG Mahila Mahavidyalaya, Jaipur, organised an oath-taking ceremony for environmental protection in observance of Earth Day. The programme's theme was "Our Power, Our Earth."

## Parents Swish

### Mrs. Saumya Tiwari

Parent of Yuvaan Tiwari (Nursery)

“

Yuvaan has been a part of **Lil' Miracles** for the past 2.5 months, and this journey has been truly wonderful. I'm grateful that he has received personal care and attention from a motherly teacher, which has made his transition smooth and joyful. The school's unique field trips like visits to the vegetable market, fire station, and hospital have provided him with real-world learning at such a young age. Major events like Annual Day and Sports Day have helped build his confidence remarkably. I sincerely appreciate the leadership of Ritu Ma'am and the entire team of dedicated teachers. Special thanks to Gini Ma'am for the constant encouragement and support in his academics and overall development. I'm proud to have chosen such a nurturing foundation for my child's bright future.

”

### Mrs. Deep Kaur Sethi

Parent of Suhavi Kaur (Sr. Kg.)

“

My child is currently in Senior KG. We have seen a lot of changes in her. She started many new things. And overall development, we are seeing in her. And we are very much happy with the school, with the teachers, with the class teachers. Thank you so much for everything. And Suhavi just wanted to say it aloud, Thank you. Thank you, teachers. I Love you!

”

“

I just want to thank the teachers and staff members of **Lil' Miracles**. I am very happy with the school. I have seen the changes, progress, and positive growth in my child. The school environment is just great.

The annual function was fabulous – the topic was very interesting and something different. I am really happy that my child is part of this school.

”

### Mrs. Pooja Mathur

Parent of Girvan Mathur (Nursery)

“

I'm really happy with Jitisha's progress and the amazing things she has written. She has picked up a lot of new words and tries to speak in sentences I never expected from her before. She even goes out and says, "Good morning everyone," or "Good morning children." These are new words and phrases her teachers have taught her. Apart from that, I really appreciate the activities she's involved in. Even something like the butterfly lifecycle—it's not something you'd usually expect a child to learn, but she's understanding it well.

# Rooted in Love Together, We Raise Miracles!

Dear Parents,

If children are the heart of Li'l Miracles International Preschool, then parents are our soul. This quarter, as we celebrated Mother's Day and Father's Day, we were reminded once again of the incredible love, sacrifice, and strength parents bring into a child's life — quietly, consistently, and endlessly.

Whether it was twinning with their little ones in matching outfits or donning aprons as chef duos in our MasterChef celebration — the joy in every hug, every cheer, every proud glance said more than words ever could.

These weren't just events. They were moments — of deep connection, shared laughter, and lifelong memories.

Through these celebrations, we honoured the everyday heroes our children call Mom and Dad — the guiding lights who shape their world with patience, presence, and powerful love.

And as this quarter closes, we carry forward these memories as gentle reminders: that learning isn't just found in books — it's in every warm hand held, every dish cooked together, every dance shared, and every bedtime story whispered. At Li'l Miracles International Preschool, we believe education is most powerful when it is rooted in

relationships — and our bond with you, dear parents, is the foundation we treasure most.

Your involvement, presence, and trust breathe life into every lesson we teach and every value we pass on. Together, we're not just raising children — we're shaping kind, confident, and compassionate individuals who will carry this love forward into the world. As we look ahead, we do so with hearts full of hope, knowing that with families like yours beside us, the journey will always be extraordinary.

Thank you, dear parents, for being the heart behind our every success. At Li'l Miracles, we see you, we celebrate you, and we walk this journey hand in hand with you — with immense gratitude and even greater love.
