LIMI's Newsletter | Jul to Sep 2025 - Edition | Page 1 | [www.lilmiracles.in](http://www.lilmiracles.in)

## Dear LIMI Family,

At Li'l Miracles International Preschool, every milestone we reach is a reflection of the passion, dedication, and love that our team invests in nurturing little minds. This quarter, we are overjoyed to share some prestigious accolades that honor our commitment to providing a holistic, innovative, and value-driven early education experience.

We are truly humbled and thrilled to be recognized as the **"Best Preschool of the Year."** This award stands as a testament to our unwavering focus on creating a safe, joyful, and stimulating learning environment where children are encouraged to explore, imagine, and grow. It is a celebration of our educational philosophy that prioritizes curiosity, creativity, and the individual potential of every child.

These awards are not just honours—they are a celebration of our entire Li'l Miracles family. They are a reflection of our visionary team who constantly innovate, our supportive parents who trust and partner with us, and of course, our incredible little learners whose curiosity, joy, and wonder make every day magical.

As we bask in the pride of these achievements, we remain steadfast in our mission to innovate, inspire, and nurture. Every award is a reminder that education is not just about knowledge, but about shaping lives, building character, and creating a generation ready to embrace the world with confidence and compassion. Here's to more milestones, more smiles, and more little miracles!

## The Victory Vault!

Adding to this pride, Li'l Miracles International Preschool has been recognized as a **"Champion of Holistic Student Development."** This accolade reflects our unwavering commitment to nurturing every facet of a child's growth—intellectual, emotional, social, and physical. Through thoughtfully designed programs, experiential learning, and personalized attention, we ensure that children not only excel academically but also develop confidence, empathy, creativity, and resilience.

# Glimpses from July-September

## National Doctor's Day

To celebrate Doctor's Day, we had a very special guest – Dr. Aparna Purohit – who visited our preschool to interact with our little ones. She spoke about healthy lifestyles, habits, and the importance of staying active and eating nutritious food. Children enjoyed a fun Q&A session, learning simple ways to keep their bodies and minds healthy.

## Stranger Danger Activity

In this exercise, a pretend stranger came to the school offering chocolates and attempting to take a child away. Through this enactment, we emphasized the importance of not going with the strangers, even if they claim that a parent is calling. This hands-on lesson is crucial in helping our young learners understand how to stay safe and trust their instincts in unfamiliar situations. That is the reason no child is dispersed from the school premises without the "bearer card."

I would like to congratulate the entire team of **Li'l Miracles International Preschool**. The way your curriculum has been designed, and the way you are so adamant about providing kids with the practical knowledge not just the book learning is so outstanding. It is really important for the kids to understand the outer world and the practilaties of life, which this school is providing so well in today's time. Your staff is extremely kind who teaches each child here to be kind, polite and caring most importantly you are teaching your children to be a good human. I would like to express my gratitude to the whole team and specially to Ritu teacher for her unwavering love and support.

I love the shows and celebrations of **Li'l Miracles**. Kids also enjoy too much. Since the start of the show to the end everything is so well-managed each time. It is a full utilisation of our holiday.

I am very grateful that my child is a part of this school. Kudos to the team. We were very confused while we were out searching schools for our son, but the moment i entered this school, i loved the vibe and environment. It was a great decision choosing this school for our child.

Namaste all of you! I am the grandparent of Kridha & Prateek, both studying in class Jr.Kg. of Li'l Miracles International Preschool. One thing that i love about this

school the most is the roots and culture that they provide to their students, giving knowledge about each festival and culture is outstanding. The tradition of wishing and greeting with 'Namaste' instead of hy, hello is praiseworthy. I feel very lucky that this school helps keep my grand-children stay rooted and connected with our Indian culture. I request mam dearly to extend the school beyond....

**Li'l Miracles**, what can I say? It's been an amazing journey with you so far. Your events are so amazing that i think more than my child i enjoy it. And about school, what can i say? I don't think there is any line or word left which is not said before about this school already. But always remember that you're best, you have to work on yourself only because i can't see any competition of your level which can surpass you. We are completely tension free about our child, what she do, how she do, this is also because of you and your team's behaviour which has made us as a parent so tension free. We so proudly say in our socials that our daughter studies in one of the best preschool of Jaipur - **Li'l Miracles International Preschool**. I haven't seen any better that what you're doing currently, so i don't have anything much and more to say. I am just too happy and proud. All the best to Lalit Sir, Ritu Mam and the whole Limi team.

# Celebrating the Learning!

## Q2 PTM Highlights

At Li'l Miracles International Preschool, we've seen firsthand the profound impact that strong collaboration between parents and teachers can have on a child's development. At the heart of this partnership are Parent-Teacher Meetings (PTMs), an essential tool in creating a nurturing environment where children can truly thrive.

Parent-Teacher Meetings provide an invaluable opportunity for open, honest, and constructive communication. For teachers, they offer insight into the child's home environment, unique needs, and interests. This understanding helps educators tailor their approach, making learning more relevant and engaging for each child. On the other hand, parents gain a clearer picture of their child's academic, social, and emotional

progress in the classroom. These interactions help address any concerns or challenges early on, ensuring that we provide the right support at the right time.

Moreover, PTMs foster trust between parents and teachers. When parents and teachers are on the same page, children feel supported, both at home and at school, which contributes to their overall well-being and self-confidence. This sense of security encourages children to be curious, explore, and grow without fear of failure.

We look forward to continuing our collaboration with you to make your child's preschool journey a joyful and enriching experience.
